**Cross County Community Schools
Personal Technology Plan
PTP APPLICATION FORM**

Cross County Schools has the ability to route all Internet usage through the school district's filtering system regardless of a laptop's location. Cross County Community Schools will allow parents the opportunity to personalize their child's interaction with the laptop computer. In essence, parents will be selecting a Personal Technology Plan (PTP) to best fit their child's needs and represent your family's value. Please select one of the three options listed below:

Option One

This option keeps the school filter intact that blocks social networking (i.e., Facebook, Instagram), gambling, gaming, sexual content, pornography or other sites deemed inappropriate by school officials. This filtering runs all school day and would continue to run after school hours and through the weekends. **By selecting this option, nothing changes on your child's filter.**

Option Two

This option would open the Internet for your students use, everything other than sexual content and pornography. This filtering would begin at 4:30PM and end at 7:30AM, Monday through Friday and all-day Saturdays and Sundays. **This option would allow your child to access social networking sites, gambling sites, and gaming sites.**

Option Three

This option will completely disable Internet access. This filtering would begin at 4:30PM and end at 7:30AM, Monday through Friday and all-day Saturdays and Sundays. **This option allows your child to use their computer for schoolwork only and would not have Internet access after 4:30 p.m.**
